

Welcome to Fall! Come celebrate the season this Saturday at the ***Cidertini Challenge and Party.***

For everyone: Come to the Cidertini Party!

At **4:30 pm** we'll all gather under the open sided **club tent** one more time to celebrate the season. There will be hot mulled cider with optional bourbon or apple brandy for a kick, cold cider, cider donuts and Vermont apples and cheese. We'll announce the winners of the race and just enjoy each other's company while doing our *second* favorite thing, *talking* about all things boating. So, power or sail, in the water or out, working on decommissioning or planning another month on the lake, come join us under the tent for some fun and camaraderie.

New this year... there will be a **Crazy Glasses** (eyewear, not drinking) contest, so make/find/create the most outrageous eyewear you can imagine, and we'll vote on a winner. Amazing prize to be determined!

For the racers in the crowd, The **Cidertini Challenge** is not to be missed. It's our last race of the year and features a classic start and finish (committee boat, horns, and flags) and classes for both JaM and Spinnaker racing. The warning horn is at 11:00 am, the start is 11:05. Please reply to this email to let us know if you're thinking about racing, and we'll provide further information. Check in is at the committee boat by 10:45. Let us know if you're racing JaM or Spinnaker. Good Luck!
